# CAMP GUIDELINES

START AT THE Y!

## Volunteers/C.I.T.'s

In addition to paid staff, the YMCA utilizes other adult volunteers, and C.I.T.'s to enhance the camp experience. C.I.T.'s are students age 14-15 who are enrolled in a YMCA program, and guided by a YMCA staff person, for the purpose of providing additional hands during arts and crafts and other camp activities.

## Health Procedures

To help promote a healthy environment for all children, sick children should remain home. Please do not bring your child to camp if he/she is showing signs or symptoms of illness. If we notice any symptoms while your child is attending, we will call you to arrange to have him/her picked up.

## Medications

The YMCA camps are self dispensation as required by the MSDE and DHMH, therefore the camp will remind your child to administer physician prescribed medications and non-prescription medication only upon written request of the child's parent or legal guardian.

## Accidents/Injury

In the event of an accident, appropriate procedures will be followed and parents will be notified. Reports are kept on all accidents and copies are released to the parent upon picking up the child. If we cannot reach you, the child will be taken to the nearest emergency medical treatment facility. The cost of medical treatment is the responsibility of the parent or guardian.

## Reporting Suspected Child Abuse/Neglect

According to Maryland state law, any camp employee is mandated to report suspected child abuse and/or neglect to Social Services. The YMCA is not required by law to notify the parent(s) or guardian(s) before contacting Social Services. Failure to pick up a child by the end of camp can be considered neglect.

## Custody of a Child

At the time of enrollment, you will be expected to provide the names and addresses of parent/legal guardians to whom we may release your child. If someone other than the parent/legal guardian who brought the child will be picking up the child a written notice must be provided each day to the Camp Director. We reserve the right to ask for identification at anytime.

## Swim Assessment (for Y based camps)

All Y campers are given a pool swim assessment under the direct supervision of certified lifeguards and receives a color coded swim band which determines which part of the pool they may use. **RED**-small pool and shallow in large pool, **ORANGE**-first half of large pool, **GREEN**-full length of pool. Must have appropriate swim attire.
